These items can be disposed of on one of the three Hazardous Waste Collection Days sponsored each year by the Bergen County Utilities Authority. For dates and further information, call 201-807-5825 or visit the website at www.bcua.org.

"Cut It and Leave It"

Grass clippings lend themselves to a natural way of recycling, the "cut it and leave it" method. It is highly recommended as a time and money saving program. Homeowners who leave grass clippings on their lawns will actually reduce their mowing time by 20-25% since they don't spend time bagging. In addition, since the clippings serve as a nutrient, it saves money on fertilizer, as well as grass bags.

Additional information can be obtained from the Bergen County Utilities Authority Recycling Hotline at 201-807-5825.

Curbside collection for garbage, recycling, and vegetative waste will be provided by the Borough with no changes in frequency or in cost to the taxpayer. The five year garbage contract has been awarded to provide twice-a-week garbage pick-up. All disposal costs are paid through taxes as well.

The Borough is very proud of its recycling efforts and the benefits it brings to our municipality. All recycled materials help us to obtain grant money and save landfill space and the costs relating to garbage disposal. Help us change trash into cash and participate in our recycling program as much as possible.
