A Message from the Mayor

Dear Neighbors and Friends,

As we welcome another new year, may every day glow with good cheer for you and your families. On behalf of the Mayor and Council, I wish you all a happy, healthy and peaceful New Year.

Having just reached the milestone of our 125th anniversary, it gives me great pleasure to say Midland Park has a dynamic and rich history steeped in tradition and pride.

There are so many people that contribute to the outstanding quality of life we enjoy in Midland Park. I would especially like to thank the Council, the Administrator, the Department of Public Works, the Police Department, Fire Department, Ambulance Corps and all the dedicated office staff who go above and beyond for our residents. I would particularly like to congratulate the Library Board and Staff for achieving the honor of being named Bergen County’s best library. The Midland Park Memorial Library is one of our Community’s most wonderful assets with many outstanding programs.

In addition to the library’s programs, our youngsters enjoy a variety of sports year-round and on any given day, the recreation facilities are at full capacity.

Midland Park is best described as a small town with a big heart and as your Mayor, I am most proud of the people who give their time to make our community the great place it is today.

My sincere hope is that you will get to know your neighbors, seek out volunteer opportunities and participate with us as we make important decisions for our community that will affect the generations to come.

Sincerely,  
Mayor Harry Shortway, Jr.

Borough of Midland Park Mayor and Council: From left: Kenneth Kruis, Jerry Iannone, Lorraine DeLuca, Mayor Harry Shortway Jr., Robert Sansone, Nancy Peet and Russell Kamp.

# Tax Collector's Office

### How & When To Pay Your Property Taxes

- Tax payments are due February 1, May 1, August 1, and November 1 of each year. There is a 10-calendar day grace period each quarter, however it is important to note that interest accrues from the original due date for any payments received after the 10-calendar day grace period.
- Interest is at the rate of 8% per annum on the first \$1500.00 and 18% on the amount in excess of \$1500.00.
- When making your payments, if you wish to receive a receipt, the tax bill in it's entirety must accompany the payment.
- If you are mailing in your payment and you wish to receive a receipt, a self addressed stamped envelope should be included with your entire tax bill.
- Your receipt will appear on the reverse side of your bill.

### NJ Rebate Program Overview

The State of New Jersey has instituted several rebate programs regarding you and your taxes. There are currently four "relief" programs that are being offered through New Jersey State.

# Curbside Pickup is as easy as 1-2-3

## Garbage and Trash

- Garbage will be collected on Mondays and Thursdays, year-round except on May 25, September 7, and November 26.
- Household refuse, non-recyclable food containers (such as pizza boxes), table waste, and disposable diapers are accepted.
- Put garbage at the curb in barrels or plastic bags, with a limit of two items (bags or barrels) per pickup.
- Place items at the curb AFTER 12 Noon the day BEFORE your scheduled pick-up day.
- Bulk items will be collected only on Thursdays. Bulk items include carpeting and rugs (bundled), furniture, broken mirrors, and non recyclable items. No construction materials, stone, rock, concrete or asphalt will be accepted.

## White Goods (Appliances, Metal, etc.)

- You must call 845-753-6666 or email sales@sterlingcarting.com (You will not receive a call or email, you will be placed on the pick-up list for the next 1st Wednesday.) No white goods are acceptable at the recycling center.
- White goods are collected on the first Wednesday of each month.
- Items that are accepted include washing machines, dryers, refrigerators (with doors removed), freezers, dishwashers, ranges, trash compactors, hot water heaters, lawn mowers (fuel removed), air conditioners, and grills.

## "Cut It and Leave It"

Grass clippings lend themselves to a natural way of recycling, the "cut it and leave it" method. It is highly recommended as a time and money saving program. Homeowners who leave grass clippings on their lawns will reduce their mowing time by 20-25% since they don't spend time bagging. In addition, since the clippings serve as a nutrient, it saves money on fertilizer, as well as grass bags.

Additional information can be obtained from the Bergen County Utilities Authority Recycling Hotline at 201-807-5825.

# Recyclables

The collection of **recyclables** will take place on **alternate Fridays**. **Commingled**, includes glass, aluminum, tin, and plastic containers, and must be placed curbside in barrels. **Paper and cardboard** are collected tied in bundles or in paper bags, **not plastic bags**. Please refer to [www.midlandparknj.org](http://www.midlandparknj.org) for additional information pertaining to recyclable items.

**Vegetative waste** is collected on Wednesdays from April 1 through October 21. Grass clippings should be placed in open barrels or paper bags, no larger than 30 gallons and weighing no more than 50 pounds. After October 21, grass clippings, brush and small branches (less than 1" in diameter) can be added to loose leaves. Large branches can be taken to the recycling center. Branches must be less than four feet in length and tied in bundles.

# Recycling Center

The Recycling Center, located on the corner of Greenwood Avenue and Birch Street, is open **Tuesday from 8 am to 2 pm, Wednesday from 12 to 6 pm, Thursday from 9 am to 2 pm, and Friday and Saturday from 9 am to 3 pm. It is closed Sunday and Monday.**

- Large plastic items/containers over 5 gallons

Construction materials are not accepted at the Recycling Center. You must use a private contractor to dispose of these materials. Consult the Yellow Pages under "Rubbish and Garbage Removal."

**Hazardous waste** items such as oil base paints, solvents and thinners, motor oil, gasoline, antifreeze, chemicals, and pesticides and herbicides are not accepted at the Recycling Center. These items can be disposed of on one of the three Hazardous Waste Collection Days sponsored each year by the Bergen County Utilities Authority. For dates and further information, call 201-807-5825 or visit the website at [www.bcu.org](http://www.bcu.org).

## Midland Park Police

In May of 2019, the Midland Park Police Department passed an on-site-accreditation assessment, conducted by examiners from the New Jersey Law Enforcement Accreditation Commission. The success of the on-site assessment was achieved through the continued efforts of all of the agency's personnel in embracing the concept of utilizing accepted best practices in delivering the best possible service to the community.

Midland Park Police Department

The Accreditation standards in law enforcement assure the citizens that their police department meets specific criteria of public safety services which have been set forth by national and state commissions. The Midland Park Police Department is a professional organization and has engaged in the task of Accreditation through the New Jersey State Association of Chiefs of Police (NJSACOP) to ensure our community that their agency is held to the highest standards. Only thirty-one New Jersey law-enforcement agencies received accreditation status in 2019. The Midland Park Police Department is proud to be among this select group.

## Ambulance

On March 1, 1942, a group of 18 dedicated men joined together and started the Midland Park Community Ambulance. Now 77 years later your Midland Park Ambulance Corps is staffed with 20 professionally trained New Jersey State Department of Health certified Emergency Medical Technicians and 5 Drivers. The Midland Park Ambulance Corps has two ambulances and a mass casualty trailer unit. We are ready to respond to emergencies in Midland Park and provide mutual aid to surrounding towns.

Members make an ambulance corps. They come from local people who wish to help out their neighbors. Volunteers who live in Midland Park and in other towns within a 1.5-mile driving distance from the building are needed. Previous and current New Jersey EMT's, as well as people who want to take the EMT course, are welcomed. Training will be provided at no cost at several local facilities. If interested, please email a request for an application to [membership@midlandparkac.org](mailto:membership@midlandparkac.org)

# Fall Leaf Safety

## A Few Safety Precautions:

- Leaves should be raked to the edge of the road, not into the lane of traffic.
- Do not allow children to play in the leaves.
- Safety concerns regarding leaf collection should be reported to the Midland Park Police Department at 201-444-2300.
- Keep vehicles off the street on days scheduled for leaf collection in your district.
- Do not park on leaves.
- Keep leaves at least 10 feet away from storm water catch basins as per state storm water regulations.
- Leaves at the curb must be either loose or in paper bags.
- Leaves and other vegetative matter may be brought to the Recycling Center on Greenwood Avenue on Tuesdays 8:00am to 2:00pm, Wednesdays 12:00pm to 6:00pm, Thursdays 9:00am to 2:00pm and Friday and Saturday 9:00am to 3:00pm. The Center is closed on Sundays and Mondays.

# Protect Our Drinking Water

Historically, the sources of most water pollution were attributed to industry. Today however, much of the pollution in our lakes, rivers and bays comes from the everyday actions of people – actions that we don’t give a second thought about because it’s “just the way we’ve always done it.” You may do similar things in your home, yard or garden that harm the environment without knowing it. When you sweep the patio, hose down the driveway, or dispose of grass clippings, where does the material go? For example, homeowners can have a green lawn without massive doses of fertilizers and pesticides.

Limit your use of fertilizers and pesticides:

- Do a soil test to see if you need a fertilizer.
  - Do not apply fertilizers if heavy rain is predicted.
  - Look into alternatives for pesticides.
  - Maintain a small lawn and keep the rest of your property or yard in natural state with trees and other native vegetation that requires little or no fertilizer.
  - If you use fertilizers and pesticides, follow the instructions on the label on how to correctly apply it.
- Make sure you properly store or discard any unused portions.

Properly use and dispose of hazardous products.

- Hazardous products include some household or commercial cleaning products, lawn and garden care products, motor oil, antifreeze, and paints.
- Do not pour any hazardous products down a storm drain because storm drains usually are connected to local waterbodies and the water is not treated.

# Hazardous Waste Disposal

The Bergen County Utilities Authority is offering several opportunities for the safe disposal of household hazardous waste throughout the year. These one-day events are held at different locations in the county.

The household hazardous waste management program offers Bergen County residents the opportunity to properly dispose of items such as aerosol cans, paints, pesticides, solvents and many other hazardous items commonly found in a home. This program is available free of charge to all county residents.

Residents can contact the Household Hazardous Waste Management Hotline at 201-807-8696 or log on to [www.bcua.org](http://www.bcua.org) any time of the day for a list of accepted waste products and more information about this program.
