

Serving Glen Rock, Midland Park, Ridgewood and Wyckoff

Public Notification

November 27, 2023

Application Submitted By: Ridgewood Water

Project Name: PFAS Water Treatment Facility

Location: Block 32, Lot 4
32 Birch Street, Midland Park, NJ 07432
Borough of Midland Park, Bergen County, New Jersey

This letter is to provide you with legal notification that an application for Flood Hazard Area Individual Permit and Flood Hazard Area Verification Method 6 (calculation) and Flood Hazard Area Hardship Exception relative to NJAC 7:13-11.3 Requirements for a regulated activity in a floodway for construction of the PFAS treatment building partially in a floodway has been submitted to the New Jersey Department of Environmental Protection, Division of Land Resource Protection for the development shown on the enclosed plan. A brief description of the project follows:

Ridgewater Water proposes to construct a water treatment facility to remove per- and polyfluoroalkyl substances (PFAS) to comply with NJDEP Safe Drinking Water regulations. The facility is necessary to ensure the overall reliability and resiliency of the public water supply servicing the community. It will be constructed on the same lot as Ridgewood Water's existing water facility in the Wortendyke section of Midland Park.

The complete permit application package can be reviewed at either the municipal clerk's office in the municipality in which the site subject to the application is located, or by appointment at the Department's Trenton Office. The Department of Environmental Protection welcomes comments and any information that you may provide concerning the proposed development and site. Please submit your written comments within 15 calendar days of receiving this letter to:

New Jersey Department of Environmental Protection
