As we progress, we will learn some simple stitch combinations and other crochet techniques. Attendees will choose a project and purchase appropriate yarn. Attendees should have prior crochet experience, know basic stitches, and be familiar with crocheting in the round; if you are new to the craft, we recommend starting with Beginning Crochet. Beginners and first time painters in our class work on structured projects tailored to students' experience. Everyone paints at their own level and at their own speed. The focus is on individual style. On the first night of class we will go over materials. The instructor will email a materials list prior to the first class. If you have any old oil painting supplies please have them available, regardless of their age. Our ongoing students continue working on their paintings.
