Dear Parents/Guardians, Students, and Community Members:

## **Two Midland Park High School students nominated for Bergen Record's Student of the Week!**

The Bergen Record has created a new initiative to recognize students who are making a positive impact on their schools and communities. The newspaper has solicited nominations from staff and faculty from high schools across North Jersey to highlight the achievements of local students on a weekly basis.

Much like the long-running Athlete of the Week accolade, this award seeks to highlight academic achievement, extracurricular activities, and volunteerism (among other worthy attributes) that are an integral part of the lives of many of our young scholars.

The poll launches at 5 am on Mondays and closes at 5 pm on Thursdays. At noon on Friday, the Bergen Record will announce the two students with the highest vote total as Students of the Week.

Our [Student of the Week poll is out](#) on northjersey.com, so please be sure to access this link to vote.

We hope you will join us in supporting our amazing students in this honorary program!

Sincerely,

Nicholas Capuano  
Principal
