**Subject:** RE: Planning Board Application - 32 Birch St/Ridgewood Water

Good afternoon Jess, Below are the comments for 32 Birch St for the DPW and the Fire Department. As always if there is any questions please feel free to contact me. Thank you

- DPW
- What is being done with the drainage swale that comes through the property which the proposed structure will be directly on top of.
  - Will the fence around the property be replaced during this project.

- Fire Department
- Will this building have a fire alarm
  - If so how will the fire department have access into the property if the alarm goes off
  - Will any chemicals be stored at this property

**Subject:** Planning Board Application - 32 Birch St/Ridgewood Water

Good afternoon,

Please see the attached memo requesting comments for an upcoming Planning Board application:

Ridgewood Water – 32 Birch Street  
BL 32 LT 4  
Preliminary/Final Site Plan for Wortendyke PFAS Treatment Facility

The packages have been distributed, but for your convenience digital files are available to be viewed/downloaded on the Borough website here: [Ridgewood Water - 32 Birch Street | Midland Park NJ](#). If any additional documents come in I will pass them on as well.
