Note: Neither drop-off point takes liquids, syringes or medical waste.

To dispose of sharps (needles/syringes) contact:
Englewood Hospital - 201-894-3000 x-4057

Offers a container exchange: get a container from the hospital, fill it and bring it back and receive a new container.

Holy Name, Teaneck, NJ – 201-833-3176

Use your own container – no container exchange

To make your own container: use empty laundry soap bottles or 2 liter soda bottles with screw-on caps. Put a label on the container: SYRINGES – DO NOT RECYCLE. Once container is full or no longer needed, seal bottle with original cap and wrap duct tape over the lid.
