A Message from the Mayor

Dear Neighborhoods and Friends,

As we welcome another new year, may every day glow with good cheer for you and your families. On behalf of the Mayor and Council, I wish you all a happy, healthy and peaceful New Year.

Having just reached the milestone of our 125th anniversary, it gives me great pleasure to say Midland Park has a dynamic and rich history steeped in tradition and pride. There are so many people that contribute to the outstanding quality of life we enjoy in Midland Park. I would especially like to thank the Council, the Administrator, the Department of Public Works, the Police Department, Fire Department, Ambulance Corps and all the dedicated office staff who go above and beyond for our residents. I would particularly like to congratulate the Library Board and Staff for achieving the honor of being named Bergen County’s best library. The Midland Park Memorial Library is one of our Community’s most wonderful assets with many outstanding programs. In addition to the library’s programs, our youngsters enjoy a variety of sports year-round and on any given day, the recreation facilities are at full capacity.

Midland Park is best described as a small town with a big heart and as your Mayor, I am most proud of the people who give their time to make our community the great place it is today. My sincere hope is that you will get to know your neighbors, seek out volunteer opportunities and participate with us as we make important decisions for our community that will affect the generations to come.

Sincerely,

Mayor Harry Shortway, Jr.

Snow Removal Laws Enforced

It is a property owner’s responsibility to clear snow and ice from the sidewalk bordering their property. The Borough Codes pertaining to shoveling of the sidewalks will be strictly enforced. It is required that sidewalks be shoveled within 24 hours of daylight after a snowfall. Summonses will be issued by the police for noncompliance with this ordinance. Keep fire hydrants cleared of snow. Do not shovel snow into the street.

How & When To Pay Your Property Taxes

- Tax payments are due February 1, May 1, August 1, and November 1 of each year. There is a 10-calendar day grace period each quarter, however it is important to note that interest accrues from the original due date for any payments received after the 10-calendar day grace period.
- Interest is at the rate of 8% per annum on the first $1500.00 and 18% on the amount in excess of $1500.00.
- When making your payments, if you wish to receive a receipt, the tax bill in its entirety must accompany the payment.
- If you are mailing in your payment and you wish to receive a receipt, a self-addressed stamped envelope should be included with your entire tax bill.
- Your receipt will appear on the reverse side of your bill.

NJ Rebate Program Overview
The State of New Jersey has instituted several rebate programs regarding you and your taxes. There are currently four “relief” programs that are being offered through New Jersey State.
- Property Tax Reimbursement
- Homestead Rebate
- NJ Saver
- Property Tax Deduction/Credit
To learn more about these programs go to http://www.state.nj.us/treasury/taxation

Senior Citizen Deduction
If you were 65 years or older as of December 31st of the pre-tax year you may be eligible for a deduction of $250.00 annually from your gross tax. Please note however that this deduction has an income limitation of $10,000 husband and wife combined. Applications and explanations can be obtained in our office.

Veteran Deduction
If you have served in the armed forces you may be eligible to receive a $250.00 deduction annually from your gross taxes. You may call or visit this office to obtain further information regarding this and any other deductions.

Notary Services
Many documents and transactions require the security and certainty of a notary seal. We can assist you with all your notary needs. A Licensed Professional Notary is available at Borough Hall. Give us a call to confirm availability and drop by.

Tax Collector's Office News for New Homeowners
- Tax Bills are mailed out once a year (usually July containing four stubs: August and November of the current year and February and May of the subsequent year.)
- If your mortgage company or bank has escrowed for your taxes, the original bill will be sent to them and the “advice copy” will be sent to you.
- If you DO NOT receive a bill by mid-July please call our office.
- If your mailing address changes, and you are still to receive a tax bill, please contact the Tax Assessor office advising where all correspondence should now be sent.

Tax Assessor's Office
The Tax Assessor is responsible for the valuation of property in the Borough of Midland Park. This includes any improvements that are made to the property each year.

Improvements are valued either through review of building plans or by physical inspection made by the tax assessor or his inspector. These physical inspections are usually made without prior appointments when weather permits.

An “added assessment” for the improvement is placed on the property and payable to the Tax Collector on November 1st each year.

**Cut It and Leave It**

Grass clippings lend themselves to a natural way of recycling: the “cut it and leave it” method. It is highly recommended as a time and money saving program. Homeowners who leave grass clippings on their lawns will reduce their mowing time by 20-25% since they don’t spend time bagging. In addition, since the clippings serve as a nutrient, it saves money on fertilizer, as well as grass bags.

Additional information can be obtained from the Bergen County Utilities Authority Recycling Hotline at 201-807-5825.

**Recyclables**

The collection of **recyclables** will take place on alternate **Fridays**. **Commingled**, includes glass, aluminum, tin, and plastic containers, and must be placed curbside in barrels. **Paper and cardboard** are collected tied in bundles or in paper bags, not plastic bags. Grass clippings should be placed in open barrels or paper bags, no larger than 30 gallons and weighing no more than 50 pounds. After October 21, grass clippings, brush and small branches (less than 1” in diameter) can be added to loose leaves. Large branches can be taken to the recycling center. Branches must be less than four feet in length and tied in bundles.

**Garbage Removal**

The Accreditation standards in law enforcement assure the citizens that their police department meets specific criteria of public safety services which have been set forth by national and state commissions. The Midland Park Police Department is a professional organization and has engaged in the task of Accreditation through the New Jersey State Association of Chiefs of Police (NJSACOP) to ensure our community that their agency is held to the highest standards. Only thirty-one New Jersey law-enforcement agencies received accreditation status in 2019. The Midland Park Police Department is proud to be among this select group.

Midland Park Police

In May of 2019, the Midland Park Police Department passed an on-site-accreditation assessment, conducted by examiners from the New Jersey Law Enforcement Accreditation Commission. The success of the on-site-assessment was achieved through the continued efforts of all of the agency’s personnel in embracing the concept of utilizing accepted best practices in delivering the best possible service to the community.

Midland Park Police Department

On March 1, 1942, a group of 18 dedicated men joined together and started the Midland Park Community Ambulance. The Midland Park Ambulance Corps has two ambulances and a mass casualty trailer unit. We are ready to respond to emergencies in Midland Park and provide mutual aid to surrounding towns.

Members make an ambulance corps. They come from local people who wish to help out their neighbors. Volunteers who live in Midland Park and in other towns within a 1.5-mile driving distance from the building are needed. Previous and current New Jersey EMT’s, as well as people who want to take the EMT course, are welcomed. Training will be provided at no cost at several local facilities. If interested, please email a request for an application to membership@midlandparkac.org

Fall Leaf Safety
A Few Safety Precautions:
- Leaves should be raked to the edge of the road, not into the lane of traffic.
- Do not allow children to play in the leaves.
- Safety concerns regarding leaf collection should be reported to the Midland Park Police Department at 201-444-2300.
- Keep vehicles off the street on days scheduled for leaf collection in your district.
- Do not park on leaves.
- Keep leaves at least 10 feet away from storm water catch basins as per state storm water regulations.
- Leaves at the curb must be either loose or in paper bags.
- Leaves and other vegetative matter may be brought to the Recycling Center on Greenwood Avenue on Tuesdays 8:00am to 2:00pm, Wednesdays 12:00pm to 6:00pm, Thursdays 9:00am to 2:00pm and Friday and Saturday 9:00am to 3:00pm. The Center is closed on Sundays and Mondays.

Hazardous Waste Disposal
The Bergen County Utilities Authority is offering several opportunities for the safe disposal of household hazardous waste throughout the year. These one-day events are held at different locations in the county.

The household hazardous waste management program offers Bergen County residents the opportunity to properly dispose of items such as aerosol cans, paints, pesticides, solvents and many other hazardous items commonly found in a home. This program is available free of charge to all county residents.

Residents can contact the Household Hazardous Waste Management Hotline at 201-807-8696 or log on to www.bcua.org any time of the day for a list of accepted waste products and more information about this program.

Protect Our Drinking Water
Historically, the sources of most water pollution were attributed to industry. Today however, much of the pollution in our lakes, rivers and bays comes from the everyday actions of people – actions that we don’t give a second thought about because it’s “just the way we’ve always done it.” You may do similar things in your home, yard or garden that harm the environment without knowing it. When you sweep the patio, hose down the driveway, or dispose of grass clippings, where does the material go? For example, homeowners can have a green lawn without massive doses of fertilizers and pesticides.

Limit your use of fertilizers and pesticides:
- Do a soil test to see if you need a fertilizer.
- Do not apply fertilizers if heavy rain is predicted.
- Look into alternatives for pesticides.
- Maintain a small lawn and keep the rest of your property or yard in natural state with trees and other native vegetation that requires little or no fertilizer.
- If you use fertilizers and pesticides, follow the instructions on the label on how to correctly apply it.
- Make sure you properly store or discard any unused portions.

Properly use and dispose of hazardous products:
- Hazardous products include some household or commercial cleaning products, lawn and garden care products, motor oil, antifreeze, and paints.
- Do not pour any hazardous products down a storm drain because storm drains usually are connected to local waterbodies and the water is not treated.
- Do not park on leaves.
- Keep vehicles off the street on days scheduled for leaf collection in your district.
- Do not allow children to play in the leaves.
- Keep leaves at least 10 feet away from storm water catch basins as per state storm water regulations.
- Leaves at the curb must be either loose or in paper bags.
- Leaves and other vegetative matter may be brought to the Recycling Center on Greenwood Avenue on Tuesdays 8:00am to 2:00pm, Wednesdays 12:00pm to 6:00pm, Thursdays 9:00am to 2:00pm and Friday and Saturday 9:00am to 3:00pm. The Center is closed on Sundays and Mondays.
