

# 2022 Midland Park Calendar & Service Almanac

Featuring Midland Park's Furry Friends!

# A Message from the Mayor

Dear Neighbors and Friends,

As we welcome in another new year and opportunities for new beginnings, I would like to thank you for the constant reminder that while Midland Park may be a small town, it is a small town with a big heart.

Despite the continued COVID ups-and-downs this past year, our community thrived, and our residents remained committed to bringing optimism and hope to each other.

Our school buildings welcomed back our administrators, teachers, and children and our fields and courts are once again busy with seasonal sports and recreational activities, including summer camp.

The Borough of Midland Park streamlined services and processes and continues to provide outstanding services to our residents.

The staff at the Midland Park Memorial Library offered new and creative ways to bring its outstanding programming to the community, including outdoor story times and movies.

We welcomed some new businesses to town and as always, the community supported them in full force.

Midland Park Community Day was reintroduced, bringing together friends and neighbors, business owners and volunteers and served as a reminder of how important it is to share in these activities, which strengthens our ties to each other.

As always, our outstanding police, fire, ambulance, and DPW personnel provide us with a sense of safety and well-being and make us proud to call Midland Park our home.

While we continue to navigate these ever-changing times, I am grateful to all the medical personnel and essential frontline workers who have sacrificed so much for us and the health of our community.

On behalf of the Council, I wish you a successful year ahead! May 2022 bring us all optimism, hope, and good health!

Be well.

Sincerely,  
Harry Shortway, Jr.

# Midland Park Emergency Services

## Midland Park Ambulance

On March 1, 1942, a group of 18 dedicated men joined together and started the Midland Park Community Ambulance. Now 79 years later your Midland Park Ambulance Corps is staffed with 20 professionally trained New Jersey State Department of Health certified Emergency Medical Technicians and 5 Drivers. The Midland Park Ambulance Corps has two ambulances and a mass casualty trailer unit. We are ready to respond to emergencies in Midland Park and provide mutual aid to surrounding towns.

Members make an ambulance corps. They come from local people who wish to help their neighbors. Volunteers who live in Midland Park and in other towns within a 1.5-mile driving distance from the building are needed. Previous and current New Jersey EMT's, as well as people who want to take the EMT course, are welcomed. Training will be provided at no cost at several local facilities. If interested, please email a request for an application to [membership@midlandparkac.org](mailto:membership@midlandparkac.org)

## Stay Connected

The Midland Park Police Department is currently utilizing a free emergency messaging service called NIXLE. Residents can go to the [NIXLE.com](http://NIXLE.com) website and sign up for free or they can text a keyword MPKPD to 888777, or text 07432 to 888777 to sign up for this service. By signing up residents will receive real-time emergency messages that are issued by the Police Department.

## Midland Park Police

Upon its incorporation as a borough in 1894, the governing body at that time recognized the need to establish such public services as may be required of any growing community. Among those was a Public Safety Committee that appointed John Maar as their first Marshall. His duties, among others were 'the preservation of public order' and the 'detection and apprehension of criminals'. The present-day Midland Park Police Department is the result of those humble beginnings.

The current Midland Park Police Department is staffed by 17 sworn officers utilizing state of the art equipment and technology. Various divisions within the department include Patrol Division, Detective Bureau, Juvenile Division and Traffic Bureau, as well as a full-time School Resource Officer. The hard work and dedication of our municipal employees and tireless volunteers have earned Midland Park a reputation as an ideal community in which to live and raise a family.

# Protect Our Drinking Water

## Limit your use of fertilizers and pesticides

- Do a soil test to see if you need a fertilizer and do not apply fertilizers if heavy rain is predicted or consider alternatives for pesticides.
- If you use fertilizers and pesticides, follow all instructions carefully.

## Properly use and dispose of hazardous products

- Hazardous products include some household or commercial cleaning products, lawn and garden care products, motor oil, antifreeze, and paints.
- Do not pour any hazardous products down a storm drain.
- If you have hazardous products in your home or workplace, make sure you store or dispose of them properly. Read the label for guidance.

## Clean up after your pet

- All pet owners and keepers are required by law to immediately and properly dispose of their pet's solid waste on any public or private property not owned by that person.
- Use newspaper, bags or pooper-scoopers to pick up waste and dispose of the wrapped pet waste in the trash or unwrapped in a toilet.
- Never discard pet waste in a storm drain.

## Dispose of yard waste properly

- Keep leaves and grass out of storm drains and follow yard waste collection rules.
- Use leaves and grass clippings as a resource for compost.
- Use a mulching mower that recycles grass clippings into the lawn.

Additional information is also available at U.S. Environmental Protection Agency Web sites [www.epa.gov/npdes/stormwater](http://www.epa.gov/npdes/stormwater) or [www.epa.gov/nps](http://www.epa.gov/nps)

## Hazardous Waste Disposal and Recycling Events

The Bergen County Utilities Authority is offering several opportunities throughout the year for the safe disposal of household hazardous waste, paper shredding, electronics and tire recycling, and unused medication disposal. This program is available free of charge to all Bergen County residents.

Contact the Bergen County Utilities Authority Environmental Programs Hotline at 201-807-5825 or go to [www.bcu.org](http://www.bcu.org)

- Put garbage at the curb in barrels or plastic bags, with a **limit of two items (bags or barrels) per pickup.**
- **Place items at the curb AFTER 12 Noon** the day **BEFORE** your scheduled pick-up day.

## Bulk Items

- **Bulk items are ONLY collected on Thursdays.**
- **Limit 2 bulk items accepted per household per pick-up day.**
- Bulk items include carpeting and rugs (bundled), furniture, broken mirrors, and non-recyclable items. No construction materials, stone, rock, concrete or asphalt will be accepted.

## Recyclables

- The collection of recyclables will take place on **alternate Fridays.**

- Items that are accepted include **washing machines, dryers, refrigerators (with doors removed), freezers, dishwashers, ranges, trash compactors, hot water heaters, lawn mowers (fuel removed), air conditioners, and grills.**

## Yard Waste

- **Vegetative waste** is collected on Wednesdays from April 6 - October 12.
- Grass clippings should be placed in open barrels or paper bags, no larger than 30 gallons and weighing no more than 50 pounds.
- Branches must be less than four feet in length and tied in bundles. Large branches can be taken to the recycling center.
- After October 12, grass clippings, brush and small branches (less than 1" in diameter) can be added to loose leaves.

# Cut It and Leave It

Grass clippings lend themselves to a natural way of recycling, the "cut it and leave it" method. It is highly recommended as a time and money saving program. Homeowners who leave grass clippings on their lawns will reduce their mowing time by 20-25% since they don't spend time bagging. In addition, since the clippings serve as a nutrient, it saves money on fertilizer, as well as grass bags.
