Discover What Midland Park Means to You!

A Message from the Mayor

Dear Neighbors and Friends,

A new year is a fresh start on the calendar, full of hope and potential. It is the perfect time to connect with each other and recognize our shared sense of belonging in the wonderful community of Midland Park.

Along with the hope and promises the new year brings, it also brings me the opportunity to thank you for the tremendous goodwill you bring to the place we call home.

So many of you spend countless hours donating your time and talent to create an incredibly welcoming environment where people of all ages can thrive.

As always, our outstanding Police, Fire, Ambulance, Borough Hall and DPW personnel provide us with a sense of safety and well-being that is second to none.

We have so much to be proud of including our amazing library that continues to be recognized for its outstanding services, an active recreation department that brings together our community, and so many volunteer organizations that have each of our best interests at heart.

May this year bring our community and all who live and work here opportunity and success! Let's make the most of 2023 together!

On behalf of the Council, I wish you good health and cheer!

Sincerely,
Mayor Harry Shortway, Jr.

Tax Collector's Office

How & When to Pay Your Property Taxes:

- Tax payments are due February 1, May 1, August 1, and November 1 of each year. There is a 10-calendar day grace period each quarter, however it is important to note that interest accrues from the original due date for any payments received after the 10-calendar day grace period.
- Interest is at the rate of 8% per annum on the first \$1500.00 and 18% on the amount in excess of \$1500.00. According to N.J.S.A. 54:4-67, a penalty of 6% will be charged on any delinquency, accrued in the calendar year, exceeding \$10,000.00 as of December 31.
- **Paying Online:** If you are paying your taxes online, please note that when you enter a payment in the system, your Checking Account or Credit Card will be charged that day. If you pay by ACH (electronic bank transfer) or e-check, there is a \$1.95 convenience fee per transaction. For all other debit card and credit card payments the fee is 2.95% of your total bill.
- **Pay By Mail:** If you are mailing in your payment and you wish to receive a receipt, a self-addressed stamped envelope should be included with your entire tax bill. Your receipt will appear on the reverse side of your bill.
- **Pay in Person:** When making your payments in person, if you wish to receive a receipt, the tax bill in its entirety must accompany the payment.
- **Drop Box:** For your convenience, there is a secure drop box located outside of the main entrance of the municipal building. All payments received through the drop box will be posted to your account the following day. Please DO NOT leave cash payments in the drop box.
- **Post-Dated Checks:** The law requires our office to deposit payments as soon as they are received, and we cannot accept "post-dated" checks. Therefore, please date your check the day you write it out, just as you would if you were paying in person.
- For more information, please contact Anna at akalata@midlandparknj.org or call 551-600-8280 or visit our website at <https://www.midlandparknj.org/tax-collector>

Midland Park Ambulance Corps

Formed on March 1, 1942, a group of dedicated citizens joined together and started the Midland Park Community Ambulance to provide emergency medical care to the residents of the Borough of Midland Park.

Now 80+ years later, the Midland Park Ambulance Corps is staffed by fully trained National Registry and New Jersey State Department of Health certified Emergency Medical Technicians. All are volunteers working only for the satisfaction that they are helping their community in a very important way.

In 2014 the Ambulance Corps moved to its current location at 471 Godwin Ave., a beautiful building generously renovated for the purpose, and donated by the late David Bolger and The Bolger Foundation. Self-funded by generous donations from the community, the Midland Park Ambulance Corps maintains the building and two fully equipped ambulances, always ready for any emergency medical situation. Our volunteers are ready, willing and able to provide emergency care 24 hours a day, 7 days a week, 365 days a year.

If you are interested in volunteering, email us at membership@midlandparkac.org

Midland Park Volunteer Fire Department

The Midland Park Fire Department responds to hundreds of emergency calls...24 hours a day, 365 days a year. Our history is a proud tradition of not only serving the community but being an active part of it! That being said, we would not be able to accomplish anything without the continued support of our residents.

Here's some information about our devoted organization and what our members do:

- Devote countless hours to maintaining department equipment ensuring a prompt response to any emergency incident while simultaneously extending its service life.
- Diligently training and continue our education through weekly drills, seminars, and courses focused on firefighting/rescue tactics.
- Participate in many annual functions including the Memorial Day Parade, Town Picnic, Borough Christmas Tree Lighting, Breakfast with Santa, Project Santa, and Fire Prevention Week.
- Support local organizations and schools through community outreach programs including Toys for Tots, Love Fund, Project Graduation, and the Junior Firefighters Program.

We are in dire need of new members eager to serve their community. By donating your time, you will be helping us to carry on this rewarding tradition. If you are a young adult (ages 16-18), and are interested in volunteering or participating in our new Junior Firefighter Program, please visit the firehouse any Wednesday at 7 PM or contact Chief Matt Tauber at fdchief@midlandpark.org.

"This is a beautiful flower is in my family's garden in Midland Park. This was taken during the Pandemic when we all spent time outside noticing and admiring the beauty of our town."

Protect Our Drinking Water

Limit your use of fertilizers and pesticides

- Do a soil test to see if you need a fertilizer and do not apply fertilizers if heavy rain is predicted or consider alternatives for pesticides.
- If you use fertilizers and pesticides, follow all instructions carefully.

Properly use and dispose of hazardous products

- Hazardous products include some household or commercial cleaning products, lawn and garden care products, motor oil, antifreeze, and paints.
- Do not pour any hazardous products down a storm drain.
- If you have hazardous products in your home or workplace, make sure you store or dispose of them properly. Read the label for guidance.

Clean up after your pet

- All pet owners and keepers are required by law to immediately and properly dispose of their pet's solid waste on any public or private property not owned by that person.
- Use newspaper, bags or pooper-scoopers to pick up waste and dispose of the wrapped pet waste in the trash or unwrapped in a toilet.
- Never discard pet waste in a storm drain.

Dispose of yard waste properly

- Keep leaves and grass out of storm drains and follow yard waste collection rules.
- Use leaves and grass clippings as a resource for compost.
- Use a mulching mower that recycles grass clippings into the lawn.

Additional information is also available at U.S. Environmental Protection Agency Web sites www.epa.gov/npcdes/stormwater or www.epa.gov/nps

- Put garbage at the curb in barrels or plastic bags, with a **limit of two items (bags or barrels) per pickup.**
- **Place items at the curb AFTER 12 Noon** the day **BEFORE** your scheduled pick-up day.

Bulk Items

- **Bulk items are ONLY collected on Thursdays.**
- **Limit 2 bulk items accepted per household per pick-up day.**
- Bulk items include carpeting and rugs (bundled), furniture, broken mirrors, and non-recyclable items. No construction materials, stone, rock, concrete or asphalt will be accepted.

- Items that are accepted include **washing machines, dryers, refrigerators (with doors removed), freezers, dishwashers, ranges, trash compactors, hot water heaters, lawn mowers (fuel removed), air conditioners, and grills.**

Yard Waste

- **Vegetative waste** is collected on Wednesdays from April 6 - October 12.
- Grass clippings should be placed in open barrels or paper bags, no larger than 30 gallons and weighing no more than 50 pounds.
- Branches must be less than four feet in length and tied in bundles. Large branches can be taken to the recycling center.
- After October 12, grass clippings, brush and small branches (less than 1" in diameter) can be added to loose leaves.

Cut It and Leave It

Grass clippings lend themselves to a natural way of recycling, the "cut it and leave it" method. It is highly recommended as a time and money saving program. Homeowners who leave grass clippings on their lawns will reduce their mowing time by 20-25% since they don't spend time bagging. In addition, since the clippings serve as a nutrient, it saves money on fertilizer, as well as grass bags.

"Midland Park's commitment to staying green means finding alternative ways to deal with backyard pests. The most natural way is to support the food chain of local biodiversity. The Praying Mantis eats a wide range of intrusive insects throughout its life, from fruit flies to locusts. These elegant predators ensure your backyard stays healthy and balanced."

"Midland Park is home to so many old and beautiful Oak trees. I love that so many of the trees line the streets and the public spaces of our town. And it is wonderful to live in a town that values these tremendous sentinels. This red oak tree is 186 years old now (2022). Imagine! This tree was alive during the Civil War!!"

Midland Park Police

Upon its incorporation as a borough in 1894, the governing body at that time recognized the need to establish such public services as may be required of any growing community. Among those was a Public Safety Committee that appointed John Maar as their first Marshall. His duties, among others were 'the preservation of public order' and the 'detection and apprehension of criminals'. The present-day Midland Park Police Department is the result of those humble beginnings.

The current Midland Park Police Department is staffed by 17 sworn officers utilizing state of the art equipment and technology. Various divisions within the department include Patrol Division, Detective Bureau, Juvenile Division and Traffic Bureau, as well as a full-time School Resource Officer. The hard work and dedication of our municipal employees and tireless volunteers have earned Midland Park a reputation as an ideal community in which to live and raise a family.
