

Tax Payment Information

It is recommended that you utilize the following methods to make your quarterly property tax payment:

1. Mail in Checks:

You can mail in your check or drop off your check using the drop box mailbox outside of the main entrance of the municipal building, which is accessible 24 hours a day, 7 days a week. Please include your tax stub with your check in a sealed envelope. If you do not have your tax stub, please include your block and lot, account number and/or property address.

Checks should be payable to the "Borough of Midland Park." Please DO NOT leave any cash in the tax payment drop box. If mailing your payment and you would like a receipt, please include your entire tax bill with a self-addressed, stamped envelope or provide us with your email address.

- Payments received after the end of the grace period will be charged interest from the quarterly due date until payment is received by the Tax Collector's office.
- Taxes are posted based on the date the payment is received in the Tax Office, and NOT based on the post marked date.
- Postmarks are not accepted.
- Post-dated checks are not accepted.

2. Online Tax Payment

You can now look up current property taxes, account history and pay current taxes online using the following link: [WIPP \(edmundsassoc.com\)](http://WIPP.edmundsassoc.com) (fees apply).

3. Online Bill Pay from your bank:

Please be aware that payments, that you initiate with your own bank through online bill pay, should be scheduled in advance of any due date to allow enough mailing days for the Borough to receive, process and apply the payment to your account. Bank payments made from online bill pay are sent through the mail. The Borough is not responsible for late payments due to delays in mail service or bank processing. Please include your Block and Lot, Last name and/or property address for us to apply the payment to the correct account.

Failure to receive a tax bill does not exempt you from paying taxes or delinquent interest on taxes. If you feel you have not received a tax bill, it is your responsibility to check the status of your accounts online via WIPP or call the Tax Collector. The Tax Collector is NOT responsible for any payments lost through the mailing process. If your payment gets lost in the mail, YOU ARE STILL RESPONSIBLE FOR THE PAYMENT AND ANY INTEREST INCURRED.
